At the end of WW-H a point system was developed to help the Army determine in what croter an enlisted man or women would be returned to the United States and discharged from duty. The 505 Parachute Infartry Regiment, 82nd Airborne Division was assigned to occupation duty in Berlin. The 507 Parachute Infartry Regiment, 17th Airborne Division was scheduled to be sent back to the States. In June 1945 the low point paratroopers of the 507th PIR replaced man for man the high point paratroopers of the 505th PIR that had point socres of ower 55 points and wared to struth none. These transfers are not reflected in this root reflected in this care.

On June 21st 1945 approximately 1,000 high point veterans of the 505th PIR were reassigned and mucked to the 507th Parachute Infantry Regiment in Rambervillers, France. Some of the 1,000 transferees were high pointers that transferred into the 505th PIR when the 509th PIB and the 551st PIB disbanded. This roster covers a time period of July 6,1942 through May 8,1945.
