At the end of WW-II a point system was developed to help the Army determine in what order an enlisted man or women would be returned to the United States and discharged from duty. The 505 Regimental Combat Team, 82nd Airborne Division was assigned to occupation duty in Berlin. The 507 Regimental Combat Team, 17th Airborne Division was scheduled to be disbanded and sent back to the States. In June 1945 the low point paratroopers of the 507th RCT replaced man for man the high point troopers of the 505th RCT that had point scores of over 85 points and wanted to return home. These transfers are not reflected herein as this roster covers a time period of July 6, 1942 through May 8, 1945.
